

# Record of Ill Health

Child's Name: \_\_\_\_\_

Date of Birth: \_\_\_\_\_

Location: \_\_\_\_\_

A child showing symptoms of ill health will be closely monitored, comforted, offered a cot to lie on and if necessary and possible, separated from other children. The child's parents are contacted for instructions or to take the child home. Where it appears the child requires immediate medical attention, an ambulance will be called. The symptoms and actions taken are noted on this form.
